Operation Undergarment,

First let us say **THANK YOU!** For all that Operation Undergarment has done for our wounded warriors over the past 7+ years.

Recently my wife (Sherry) asked the youth group at our church to decorate some bags that we could fill with items and send to you for our wounded service men and women. From there the youth not only gathered to decorate bags, but provided some of the items to go into the bags. As time went on members of our church came in one after another with the needed and desired items to provide some comfort for our heroes. This project has brought to light the sacrifice others are making, standing in the gap, for those of us who enjoy the freedoms, including the freedom of religion, in our nation. Not only are we sending these bags, but also our prayers for the men and women of our military, especially for those who have been wounded as they placed themselves in harms way for us. It is our hope that there will soon be a day that such bags are not needed, but until that time comes we stand in support of our Soldiers, Marines, Sailors and Airmen.

God Bless Operation Undergarment and God Bless America.

In Jesus Name,
